BEAUTIFUL LIFE HOTELS

A UNIQUE ART OF LIVING

Beautiful Life Hotels wasn't built in a day. Since 2018, under the initiative of Gérard Jicquel, our collection has grown with passion and care. Each of our properties tells a story—one steeped in rich history and treasured heritage.

From Brittany to the Île-de-France, through the Pays de la Loire and Charente-Maritime, our destinations promise rare and memorable moments, shaped by authenticity and excellence. Hospitality is at the heart of our identity, and every stay is an invitation to experience something truly unforgettable.

EXCEPTIONAL PLACES

Our hotels are genuine havens, where heritage meets modernity, and where history converses with the present. Whether nestled in a 25-hectare park or located in a vibrant seaside town, each property embodies refined comfort and an elegant atmosphere.

Between the rugged coastlines of Brittany and the timeless allure of Paris, Beautiful Life Hotels continues to expand into unique destinations that harmonise with their surroundings—always guided by a shared philosophy: to offer discreet luxury, rich in emotion and memories.

THE ART OF FRENCH HOSPITALITY

At Beautiful Life Hotels, hospitality is an art - one of expertise and genuine human connection, brought to life by devoted professionals who are passionate about their craft. Every guest is welcomed as an honoured visitor, with the warm, personalised attention that defines our signature style.

Our promise is simple: to create tailor-made experiences filled with delightful surprises, discoveries, and unexpected pleasures. Driven by a generous spirit, our teams anticipate every need, ensuring that each stay becomes a truly exceptional moment in time.

THE PLEASURES OF THE TABLE

Gastronomy lies at the heart of our promise. With our two Michelin-starred restaurants and a range of gourmet venues, the pleasures of fine dining are celebrated at every one of our hotels. We highlight regional cuisine, elevated by inspired chefs who honour local ingredients and seasonal rhythms. Each meal is an invitation to travel—a sensory journey where beauty meets flavour.

SANCTUARIES OF WELL-BEING

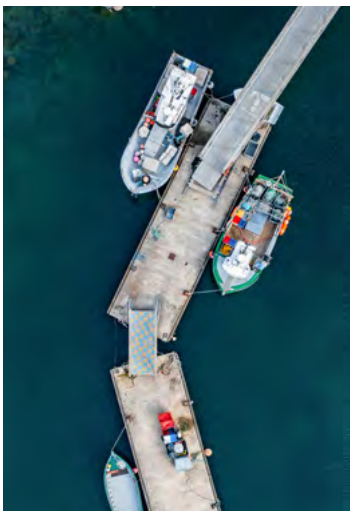

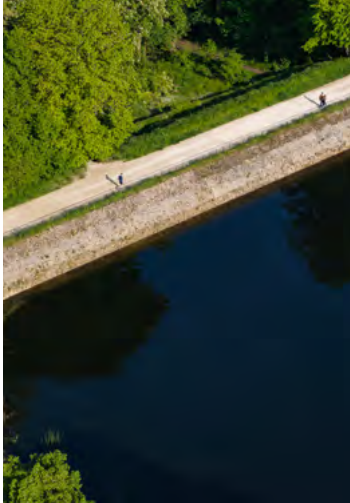

Beautiful Life Hotels aspires to become a benchmark in the art of well-being, offering a holistic wellness experience. Our spas and curated treatment menus are designed as sanctuaries for both body and mind. Our goal is simple: to help our guests disconnect from daily life and reconnect with themselves - leaving them renewed, serene, and smiling.

FAMILY VALUES

Beautiful Life Hotels is above all a human adventure, shaped by the vision of Gérard Jicquel, President of Beautiful Life Group, and Aurélie Durand, head of the hotel division. As a family-owned company, we bring together passionate talent - each committed to a French art of living where elegance meets simplicity.

Together, we are building a unique collection of hotels that, tomorrow, will stand among the references in authentic, natural luxury. Guided by our values of excellence, kindness, and responsibility, we create places where every stay becomes a story to tell and a memory to cherish.

BEAUTIFUL LIFE WINES

CHÂTEAU FOURCAS DUPRÉ & CHÂTEAU D'AGASSAC

Beautiful Life Group is more than a hospitality brand - it is a celebration of beauty, authenticity, and a deep passion for wine, embodied in the spirit of Beautiful Life Wines.

In 2019, the group took its first steps into the Médoc vineyards with the acquisition of Château de Fourcas Dupré. In 2021, it expanded again with a historic estate: Château d'Agassac.

Rooted in the prestigious Médoc region, Beautiful Life Wines reflects the perfect balance between tradition and innovation. Each carefully selected vineyard tells a unique story - one that comes to life in every bottle.

Château Fourcas Dupré: craftsmanship and excellence

Spanning 60 hectares of vineyards, Château Fourcas Dupré captures the very essence of the Listrac-Médoc terroir. The red wines are crafted from classic blends of Cabernet Sauvignon, Merlot, and Petit Verdot, while the whites combine Sauvignon Blanc and Sémillon. These are age-worthy wines - equally enjoyable young or after a few years in the cellar - expressing the true character of their origin.

Le Château d'Agassac : Over 200 years of heritage

As one of the oldest estates in the Médoc, Château d'Agassac cultivates 45 hectares of vines rooted in centuries-old soil. The estate is committed to preserving a delicate balance between oak and fruit, using new barrels sparingly to allow the nuanced aromas of Merlot, Cabernet Sauvignon, and Cabernet Franc to shine. A certified and environmentally conscious approach to viticulture ensures wines of remarkable finesse and elegance.
